Certificate by solicitor

By signing this certificate, I, the undersigned, certify to **you** that:

1. I am a qualified solicitor in England and Wales, I hold a current practising certificate as part of an SRA regulated firm.
2. I have been instructed by the **client** to advise the **client** on the nature, meaning and effect of the **guarantees** and the **mortgage documents**.
3. I have been provided with the **mortgage documents**.
4. I have given to the **client** such independent advice and taken such steps as I consider appropriate so as to be satisfied that:

4.1 the **client** fully understands the purpose of the **guarantees** and the **mortgage documents**, the nature, meaning and effect of the **guarantees** and the **mortgage documents**, including the extent of the liabilities to be undertaken by the **client** and the consequences of entering into the **guarantees**;

4.2 that the **client** has freely consented to and has entered into the **guarantees** without influence or duress or in reliance upon any misrepresentation;

4.3 the **client** fully understands the content and effect of the **guarantees** and the **mortgage documents**, including:

4.3.1 the nature and extent of the liabilities secured by the **guarantees**,

4.3.2 that those liabilities may change in nature and increase in extent from time to time,

4.3.3 that the **client** will remain legally bound by the **guarantees** even if circumstances change from time to time, whether or not the change increases the **client's** liability and whether or not the client knows about, has been consulted about or has consented to any change,

4.3.4 whether or not the **client's** liability is unlimited (and even if a limit is specified, there are some things for which the **client's** liability is unlimited), and

4.3.5 (if applicable) the **client's** liability will also be separate from and in addition to the liability of any other person signing any **guarantee** as a guarantor, and that this means that the **client** can be required to pay in full even if, for example, such other person (if any) does not pay or is not liable and that **you** will be entitled to enforce **your** rights against the **client** if any of the **client** or such other guarantor fails to comply with their obligations under a **guarantee** or any **borrower** fails to comply with the guaranteed liabilities; and

4.4 the **client** fully understands all future correspondence, both written and verbal, will be in English.

5. The **client** was seen alone in a face-to-face meeting, or over a video call where I was satisfied that they were alone, and was asked to articulate the circumstances under which the **guarantees** and the **mortgage**

documents were being entered into. There was no evidence of any undue influence or pressure being applied to the **client**.

6. I sought the **client**'s understanding of the implications arising, and potentially arising, from these transactions and the **client** answered positively.
7. I explained that the **client** has a choice whether or not to enter into the **guarantees** and that if the **client** did enter into the **guarantees**, the **client** would be legally bound by each **guarantee** and that the **client** would not be able to withdraw.
8. The **client** either produced reliable evidence to me which establishes the client's identity or otherwise is well known to me.

By signing this certificate, I, the undersigned (being the **client**), certify and acknowledge to **you** that, before signing this certificate and the **guarantees**:

- 1 I was informed that, for my own protection, **you** require a written confirmation from a solicitor to the effect that, among other things, the solicitor has fully explained, and advised me as to, the nature, meaning and effect of the **guarantees** and the **mortgage documents** and their legal and practical implications to me and I accordingly instructed the solicitor named above to advise me accordingly.
- 2 I was also informed that a purpose of that requirement is that I should not be able to dispute that I am legally bound by the **guarantees**.
